

# Shu-Box Theatre Details

---

The Shu-Box Theatre is located at the University of Regina, in the Riddell Center.

## PARKING

Parking is free on the weekends in Visitor Pay Lot 2 which can be accessed from Wascana Parkway and University Drive South and is right across from the Riddell Centre. **Please take a 'no charge' permit at the entry and use when exiting to lift arm.**

## AUDIENCE THEATRE ENTRANCE

- The theatre has 2 audience entrances; each lead down the sides of the main risers at center "front"
- Ticket sellers will be set up outside Left entrance where our audience will enter from

## DANCER THEATRE ENTRANCE

- Dancers will enter the theatre by the Left side entrance adjacent to Left risers; this door leads to a hallway and to the dressing rooms

## RISERS

- There are 88 seats in main risers at front – 100 if we decide to add a row of seats; our audience will be ushered into this area.
- *\*\*\*If any dancer wants to sit in this area they MUST buy a ticket*
- Side risers are for dancers (especially left side which is adjacent to dressing rooms), *UNLESS* we sell out.

## STAGE AREA

- Theater and everything in the theatre is black (floors, curtains, etc.)
- Curtain extends around the back of the stage, about 4 feet out from wall; dancers can go from left to right side behind the curtain
- Stage Dimensions – 30' W x 32' D

## LIGHTING

- Stage lighting has recently been updated to LED! They can do spots, dim/increase light levels, and give washes of different colors! These may be played with at our tech rehearsal to see what works

## DRESSING ROOMS

- Are located through the left side door and down the hall
- Have lighted mirrors
- Are smaller in size; please do your makeup/hair and then let someone else take their turn; do NOT gather in this area, move to the locker room or hallway
- There is an adjoining bathroom (single occupancy) and on opposite side is a larger bathroom (2+ stalls) with sinks/mirrors
- There is also a locker room where people can leave their things (valuables) but BRING OWN LOCK
